

Hospitality Solutions

CROSSVILLE®

Why Crossville?

Our mission is to provide you with creative and sustainable design solutions—rooted in technical mastery, designed for long-term function, and finished with style and beauty.

A Surface for Every Space

When it comes to seamless surface solutions, Crossville has you covered in every space. Our American-made tile adds a luxurious finish from grand lobbies, and guest rooms to back-of-house areas, and exterior spaces. Each of our collections blend beauty and technical performance, enabling you to design a destination that is memorable, durable, and sustainable.

Domestic Manufacturing

- We were the first tile manufacturer in Tennessee, established in 1986. We are American owned and operated with over 35 years of experience in commercial tile solutions.
- Many products are made and stocked in the USA, ready to be delivered, with lead times of just 5 -7 business days.

Superior Service

Through years of hospitality experience, we've perfected better practices, techniques, and efficiencies that will save you both time and money in the long run. We listen to our clients' needs before aiding in the selection process to ensure we accommodate aesthetic, budget, and technical requirements.

- Dedicated account specialist and inside sales support
- Collaboration with key partners at every stage: Architects/Designers, Owners, General Contractors, Maintenance Professionals, and Tile Contractors
- Customizable solutions to meet individual project needs (job packing, warehousing)
