Convergence

Glass Tile

Natural fusion gives a fresh perspective

There is a tendency in nature for unrelated species to evolve in appearance, taking on similar characteristics under similar environmental conditions. You are invited to explore a convergence of design and style. Natural glamour offers a surprising and beautiful secret with Crossville's Convergence Mosaics. Edge-grain woods are awash in vibrant color and cast in polished glass mosaics for an earth shattering look of wood grain with a lustrous sheen. This line of 12x12 mosaics melds bio-mimicry with an artistic splash under the sophisticated brilliance of glass. Let nature be your guide and color and shine be your paint brush. Beauty and style collide with Convergence.

- Four neutral tone and four bright tone colors are available
- Aligns with the ever popular wood-look in a unique glass format
- Part of the Common Thread for the Cure program

Recommended Use

Convergence may be used for interior walls in wet or dry locations.

Care and Maintenance

Regular cleaning is the best way to keep Convergence tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville products is available at CrossvilleInc.com.

Our Warranty

Crossville Inc guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1-2012 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.
