Wall Tile

As unique as your penmanship, Cursive brings signature style to your interior design.

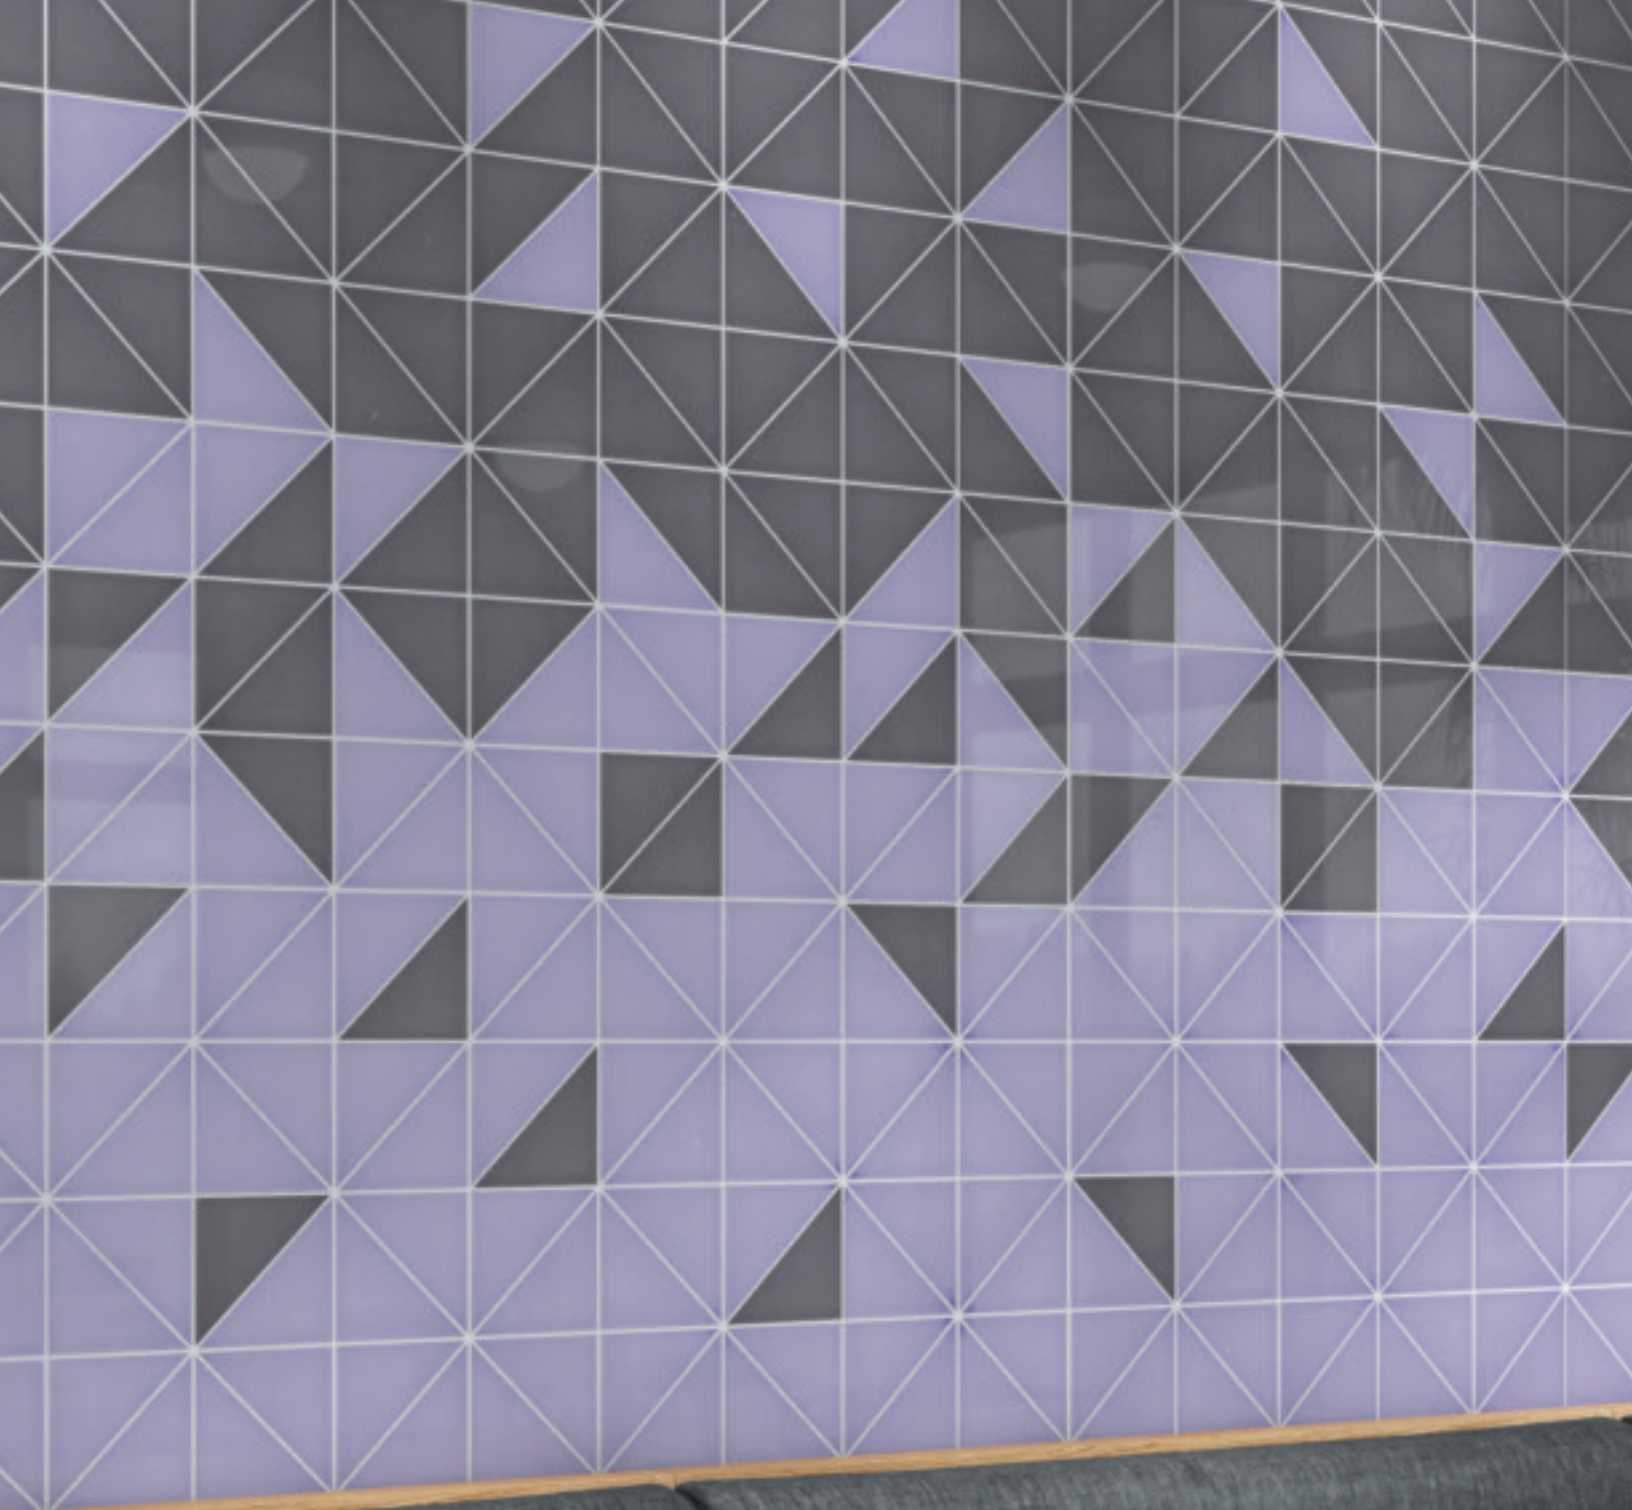

Let walls be your memoir as you write with the eclectic colors and shapes of Cursive ceramic wall tile series by Crossville. Punctuate spaces with light and dark colors. Blend interesting shapes to create the loops and lines of your manuscript. Craft an epic tale with the collection's handmade variation that lends design depth and promises to wow.

Cursive is offered in 3"x6" and 3"x12" rectangles, 6" squares, 6" triangles, as well 4" circles and 2" demilunes. Coordinating corner options are available to frame the circles and demilunes. A 1 1/2" x 6" trim piece with finished edges on short and long sides complete the offering. Each tile has a handmade appearance with a watercolor effect around the edges. Nine trending colors, including notable hues of Iris, Goldenrod, and Rose Gold, let you dot your i's and cross your t's with distinct flourish and fashion.

- A range of fun sizes, including a 4" circle, 2" demilune, and 6" triangle

Shade & Texture Index

Cursive has a shade variation of V3.

This tile product is produced with a V3 variation. Expect that the amount of color and texture on each piece may vary significantly. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

Recommended Use

Cursive tile is recommended for interior vertical surfaces in residential and commercial applications.

Care and Maintenance

Regular cleaning is the best way to keep Cursive tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth to prevent water spots. No waxes or sealers are needed. More information regarding the care and maintenance of Crossville® products is available at CrossvilleInc.com.

Handcrafted Variations

Cursive tiles are manufactured to appear handmade. Due to this handmade appearance, variations in size, thickness, flatness and color are to be expected. Therefore, blending the tile before and during installation is recommended.

Our Warranty

Crossville Inc. guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1- 2012 and in the performance data section of the Crossville, Inc. general product catalog. For complete details check our website at CrossvilleInc.com.
