Porcelain Stone®

Exhale from the Rigors of Life with Sociale™ from Crossville®

Elevate your home and create an inviting destination for family and friends with Sociale™ porcelain tiles. Crafted to beautifully endure, Crossville's newest collection features six luxurious natural stone looks that exude quiet elegance, providing the perfect foundation for family dinners, cocktail soirees, or pool-side parties for the entire neighborhood.

With Sociale, you can book your social calendar and still find time to relax, thanks to the easy maintenance and durability of porcelain. A connection with Nature has never been easier or as environmentally responsible. Made in the USA from abundant, natural raw materials, Sociale offers an eco-conscious alternative that is decidedly livable and infinitely elegant.

Featuring Crossville's newest FeatherSoft™ finish for extraordinarily touchable interior surfaces and an exterior finish for inside-out flexibility, Sociale is both visually appealing and practical. Available in two field tile sizes, including an expansive 24" x 48", along with cove base and bullnose trim and two mosaic options, Sociale porcelain tiles are the perfect complement to any home design.

- Ever stylish stone looks available in durable porcelain
- Field tile and mosaics offered
- Field tile – Rectified
- Made in the USA

Shade & Texture Index

Sociale has a shade variation of V3.

This porcelain tile product is produced with a V3 variation. Expect that the amount of color and texture on each piece may vary significantly. Inspect the product upon delivery and for best results, blend tile from several cartons during installation.

Recommended Use

Sociale™ FST is recommended for interior floors dry, interior walls, countertops, exterior walls, pool waterlines and full linings† in both residential and commercial applications. Sociale FST is not recommended for exterior horizontal surfaces or exterior paving. Sociale EXT is recommended for interior or exterior floors and walls in both residential and commercial applications. See Crossville.com for detailed installation instructions..

† Excludes mesh mounted mosaics.

Care and Maintenance

Regular cleaning is the best way to keep Rural Retreat tile looking good for years to come. Use clean, hot water (combined with a household cleaner for more aggressive cleaning). Rinse thoroughly and dry with a soft cloth. No waxes are needed. More information regarding the care and maintenance of Crossville products is available at Crossville.com.

Wet area use for Mosaics

Crossville® produces the Sociale 2x4 stacked mosaic and 1x6 stacked Mosaics with the Feathersoft (FST) finish. The ANSI A326.3 wet Dynamic COF of Sociale is ≥0.50. Their small sizes ensure frequent grout joints which provides traction and drainage. Crossville cannot control situations involving incorrect installation, improper slope to the drain for elimination of standing water and poor surface cleaning. This information is provided so that customers may make a realistic and informed decision when comparing Sociale to other tile products in wet area environment, such as residential/commercial bathrooms, showers, and interior pool decks. Information listed here is subject to change. Please refer to Crossville.com for the latest, most accurate information.

Our Warranty

Crossville guarantees that its products will meet or exceed the performance specifications outlined in ANSI A137.1 and in the performance data section of the Crossville general product catalog. For complete details check our website at Crossville.com.
